Homeland Security Exercise and Evaluation Program (HSEEP)

Exercise Plan Northern Alliance NT Interoperable Communication Exercise (MT)

PREFACE

The Northern Alliance NT Interoperable Communication Exercise (MT) is sponsored by Montana. This Exercise Plan (ExPlan) was produced with input, advice, and assistance from the Northern Alliance NT Interoperable Communication Exercise (MT) Exercise Planning Team, which followed guidance set forth in the U.S. Department of Homeland Security (DHS) Homeland Security Exercise and Evaluation Program (HSEEP).

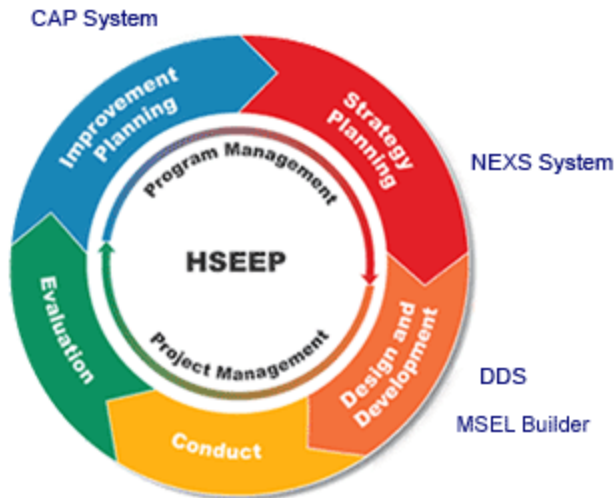

This ExPlan gives officials, observers, media personnel, and players from participating organizations information they need to observe or participate in a functional response exercise that focuses on participants' emergency response plans, policies, and procedures as they pertain to each of their specific jurisdictions. The information in this document is current at the date of publication, **June**, and is subject to change as dictated by the Exercise Planning Team.
